Property owner and contractor shall have responsibility to determine grades, and final placement and elevations of footings/foundations. Property owner and contractor shall be responsible for compliance with all state, national and local building codes and ordinances. Initial \_\_\_\_\_

Approval by the city of any application submittal or paperwork does not alleviate the owners from their responsibility to understand and conform to local, state and federal laws. Providence City's approval is not intended to and cannot be construed to allow any laws to be violated. Initial \_\_\_\_\_

By signing this document, you agree that Providence City will bill you for any and all professional firm fees as they arise throughout the approval process. This is in addition to application fees. All subdivisions require engineering review throughout the approval process, such as but not limited to reviews of development agreements, construction drawings, preliminary and final plats, and inspections. These services are billed by our city engineer at an hourly rate. Some subdivision applications may also require legal review. Other applications, such as but not limited to conditional uses, may also require engineering and/or legal review at the City's discretion. You agree to reimburse the City for all such costs, whether or not you were forewarned about such costs, and that the City cannot predict all situations in which professional services may be required in order to process your application. Initial \_\_\_\_\_

**I declare under penalty of perjury that I am making this application of my own free will and choice and that the statements, answers, and documents submitted in connection with this application are true and correct to the best of my knowledge.**
