Message from the Mayor

It is always a pleasure to welcome new citizens who chose to serve. I would like to welcome Rowan Cecil to the Planning Commission. I, along with the City, am excited to work with Rowan.

We are once again looking and asking for help from our community to find 24 citizens to take part in our C.E.R.T. (Community Emergency Response Team) program. We already have about 3 teams trained and in place and the City has agreed to pay the expense for another 4 teams. Please come and join us in this training to help get our city a little more prepared in case of an emergency. Our goal, if we have enough registered, is to begin the course by March 17. If interested please call Beth Munson at 435-752-9441 ext 18 and Beth will help you.

I would like to bring your attention to the Providence City Youth Council. The following young men and women are a fantastic group that spend many hours on behalf of the City and the community arranging and working events in the city such as: Trunk or Treat, meet Santa and share with the Food Bank, Assisted Living Center Valentines Dance, flower gardens at the city office and Alma Leonhardt Park, cemetery clean-up, games for kids at City Celebration and Sauerkraut Dinner. They also help by putting together Storm Water packets for the County Storm Water education day for 4th graders throughout the valley. They are looking at doing a blood drive in April, so plan on supporting this event and look for more information in the April newsletter. Members of the Youth Council also have the opportunity to attend "A Day at the Legislature." I would personally like to say thanks and introduce this group to you: Aaron Russell, Amber Liljenquist, Blaine Cook, Blake Lyman, Bryar Robinson, Courtney Schvaneveldt, Dylan Wootton, Elizabeth Payne, Jason Johnson, Jocelyn Packer, Kayson Ward, Kenzi Burrus, Lindsay Schwab, Lydia Tullis, Madison Snow, Mariah Wennergren, Maryanna Coburn, Matt Adams, Megan Brown, Millie Tullis, Sela Schaaf, Shay Gladwin, Shaylee Sorensen, Tessa Pudil, Tiffany Frank, Tyler Gladwin. Terri Wennergren is their advisor.

This month City Council meetings will be on Tuesday the 8th and 22nd we invite you to attend. If you would like to address the council we have a 15 minute period at the front of the meeting for public comment; and we would welcome any input or suggestion. I feel it is an honor and pleasure to server you and if you have any question or concern for me, please call.

REMEMBER TO WEAR YOUR GREEN ON THE 17TH.

~ Mayor Ronald S. Liechty ~

MESSAGE FROM YOUR CITY COUNCIL:

Due to the scheduling of the Council, this report covers the meeting of February 8, 2011.

There was a public hearing receiving public comments on adjusting the 2011 budget for the following funds: General Capital Projects, Water, Sewer and Storm Water. Items covered were: Gateway Drive Project, Canyon Trail, Intergovernmental Revenue, Road Impact Fees, Temporary seasonal employees for parks, Work at the Veteran's Memorial, and Cemetery activity. In addition, the Council was informed that UDOT is going to put in a light at 300 South. A proposal was discussed to purchase additional Christmas lights for the ball park fencing coming into the city. The public hearing was closed and the adjusted 2011 budget was unanimously approved by the Council.

The Council also approved a resolution accepting a petition for annexation "for consideration" for approximately six acres adjacent to the southwest boundary of the city. This will allow the Staff to certify the petition, schedule the public hearing, and send out the proper notifications.

The Council also approved a code amendment to Providence City Code Title 3 Business Regulations, Chapter 4 Conditional Businesses, Section 5 Home Business, E, Floor area utilized. This better defined the percentage of area of a home that can be used for a home business. In addition, a child care home business will be discussed at a further meeting relative to square footage per child.

A second C.E.R.T. training meeting was approved by the Council. The first C.E.R.T. training was very successful.

Staff and Council reports followed with information on: traffic counts for the corner by the Maverick, Christmas lights, snow being pushed into the street, sales tax revenue, Historic Preservation Society, Gold's Gym, 4 wheelers and ATV activity, affordable housing, City Celebration, 5K races within the city, sewer, animal control costs, bonding for Council Members, deer problem, an upcoming rural water meeting, and the alternate member for the Planning Commission.

All citizens are encourage to attend the Council meetings.

~ Council Member, Don Calderwood~

Message from the Public Works Department:

It seems like with the recent snowstorms that winter will never end; with this in mind we would like to thank those of you who have observed the winter parking hours and remind you that winter parking hours are still in effect until April 1st. We would also like to thank those of you that have kept your sidewalks clear of snow. The City and those that walk during the winter months appreciate the efforts.

If you notice street lights that are out or not working properly, please contact our office and we will report the problem to Rocky Mountain Power. It is not required but very helpful if you can also give us the pole number.

The City will be doing spring cleanup as soon as spring decides to come. Please do not place branches out this early, it does become a safety hazard if there are branches out and then covered with snow. We will have more information for spring cleanup as the time comes closer.

And lastly, from the utility billing department. With a recent ordinance change, if the City deems that it is too cold to turn water off due to a delinquent utility account, the shut off notice will still be mailed as a reminder that you are delinquent but the water will not be turned off. As soon as the weather warms and it is deemed safe to turn water off, the public works department will shut off water for delinquent accounts and the bill will need to be paid in full before service is restored. With this ordinance change, we ask that you please continue paying your utility bill through the winter months so that you can avoid the water being shut off when the temperatures warm.
