## Message from the Mayor

I hope you all attended the city celebration the first of the month we had a great time with the bike show, baseball games, kid's games, fun run, and concert with the Simmons Brothers, movie in the park and the great vendors and food. Be sure and watch for the Sauerkraut Dinner and Car show in the fall you do not want to miss this.

The City has started the Concert in the Park series held every third Monday evening from May through August; this is a great way to spend a Monday evening with your family and friends. Here are a few of the up coming concerts so you can plan a head to join us there; *June 20—Lilium, July 18—Hot Flashes, August 15—Mid-Life Project.*

We have had a lot of concern about the deer in the city. About half of the citizens want us to remove the deer by what ever means possible and the other half want us to leave the deer alone. The city council has spent many a meeting and hours trying to find a real answer to this concern and Councilman Calderwood has investigated with several of the State of Utah agencies and other cities and towns through out the State of Utah to find out what we can do and what others may be doing. We have found out that the deer belong to the State of Utah and we have no authority to do anything with the deer without approval and supervision of the State of Utah. There are some possible solutions but very costly to the City and its citizens. Therefore, we at the City will be setting up a community meeting along with our State Representative Curt Webb and the city council to discuss this concern. We will post this meeting and do all we can to make the citizens aware of the time and date as we get it set up.

We are excited to announce that the Providence City Sewer Department received from the Water Environment Association of Utah the Award for the Outstanding Collection System in the State of Utah less than 5 million gallons per day. These following men (Randy Eck, Rob Stapley, Dan Wiser and Gerald Taft) have spent countless hours maintaining and upgrading our system to be second to no other system in the State of Utah. Thanks to the Providence City Sewer Department.

~ Mayor Ronald S. Liechty ~

## **MESSAGE FROM LOGAN FIRE DEPARTMENT: - New Fireworks Laws**

There have been some significant changes in the Utah fireworks laws that go into effect this firework season. You may now purchase and use lawful fireworks from June 26 – July 26.

A new type of aerial firework is now lawful. Aerial devices, also known as “multiple tube,” “repeater,” or “cake” fireworks often look like miniature professional displays and can travel high into the air, as much as 150 feet.

Still not allowed are: firecrackers, M-80, cherry bombs, bottle rockets, Roman candles, single or reloadable mortars, and ground salutes.

Some good safety practices when using fireworks include:

- ▶ **Before:** Choose an open area, fireworks need space from trees, spectators, homes, carports, buildings, fences and dry vegetation.
- ▶ Use a garden hose to wet down the area before firing.
- ▶ Aerial or “cake” fireworks need at least a 30 foot clearance around on the ground and need as much as 150 feet clearance in the air.
- ▶ **During:** You must be at least 16 years of age to handle or light fireworks.
- ▶ Should a firework misfire or not light, do not attempt to re-ignite. As each device burns out, soak it using a hose, or bucket of water.
- ▶ **After:** Never immediately pick up fireworks that may be left over, they may still be active allow 15 to 20 minutes to pass. Place all used items in a bucket of water and then in covered fireproof container and leave it outside and away from homes and buildings

Fireworks are beautiful and add fun and excitement to holiday celebrations. But you must be fireworks smart when you use them! For any questions call the Logan City Fire Prevention Bureau, 435-716-9515

## **MESSAGE FROM PUBLIC WORKS DEPARTMENT:**

For customers with underground sprinkling systems. Current state plumbing code requires a backflow preventer on all underground sprinkling systems.

The backflow preventer is a device that prevents impurities or contaminants from being drawn into the drinking water system. Many sprinkling systems already have the proper backflow preventer installed and need only be tested annually. Others may not meet state and local regulations and may need to be replaced with the proper backflow preventer.

The regulations also require a state certified backflow technician test the backflow preventer annually. For a list of local technicians, please contact the Public Works department at 435-753-0313.

## **MESSAGE FROM YOUR CITY COUNCIL:**

Dear Citizens of Providence,

Summer is upon us! At the opening ceremonies of our baseball and softball program this Summer season, Skarlet Bankhead, our Providence City Administrator, said something that all of us should consider. She pleaded for “sportsmanship” among players and parents. I echo that invitation, and include with it a call to greater “citizenship.” Both “sportsmanship” and “citizenship” require tolerance, and discipline. It is manifest in and our ability to solve problems in a civil manner, both on the field and in our neighborhoods. Providence is an exciting place to live, especially in the summer months. So many things to do!

Included are the following:

- ▶ The wonderful “City Celebration” on June 4th
- ▶ The “Splash Pad” at Alma Leonhardt Park
- ▶ Baseball and Softball Games throughout the summer
- ▶ Concerts in the Park
- ▶ Art in the Park
- ▶ Possible Future Farmers Market (Call me if you are interested in helping or being a vendor)
- ▶ Enjoy the beautiful Providence Parks

I also personally invite any who have an idea on how we as a City Council can improve “your neighborhood,” to call me at your convenience (435) 232-2107. Share your ideas and solutions to the problems with me on how we can improve this great City. We want to keep Providence the “Greatest City on Earth” and we will do it by improving your neighborhood in which you reside. If you are interested in City Council decisions and issues, I invite you to go to the City website at [www.providencacity.com](http://www.providencacity.com). The site contains so much valuable information, including the agendas and minutes from all the public meetings in the City.

I love Providence! I love Her people! I am happy that I live here, and humbled that I am raising my family here. I want Providence to be good for them as well, and hope that they will feel about this City and Her people as I do. I really do believe this is “the Greatest City on Earth!”

*Your friend and Public Servant,  
David G. Low*

## PROVIDENCE CITY ANNOUNCEMENTS:

- ↳ **YOUTH COUNCIL:** Applications for Youth Council 2011-2012 are now available for Grades 8-12. For more information, please call Terri W. 435-752-9441 ext. 14.
- ↳ **WEEDS:** We would like to remind residents who have large open lots to take early steps to insure weeds do not over take those lots. Because of the fire danger that results when weeds become tall and very dry, we would ask that you please keep them under control early on.
- ↳ **FALL RECREATION REGISTRATION:** We will be holding Kickball & 4 vs. 4 Soccer Registration starting June 27 through July 21. 4 vs. 4 Soccer, ages 5-11 registration fee \$20 Jersey \$5. Kickball, ages 3-4 registration fee \$25 (includes T-shirt & Hat). When registering, keep in mind that the programs can't run if we don't have volunteers to coach. Think about signing up to do so. Spread the word. You don't have to be a Providence resident to participate. **NO LATE REGISTRATIONS** will be accepted. Thank you!

## Planning Commission Actions:

April 27, 2011

## OHV Accidents prompt call for safety by state:

"Utah law requires riders 17 and younger to wear a properly sized, fitted and fastened DOT-approved helmet at all times while riding on public lands and we recommend everyone wear a helmet," said Utah State Parks OHV Program Manager Chris Haller. All riders between the ages of eight and 15 must complete an OHV education course. This course is available online at [stateparks.utah.gov/ohv](http://stateparks.utah.gov/ohv).

## FREEDOM FIRE EVENT:

Plan on attending the Freedom Fire event featuring Diamond Rio, American Festival Chorus and America Sings on Friday, July 1, 2011 at 7:00 pm. It will be held at USU's Romney Stadium. Gates open at 6:00 pm. Tickets are \$10 general admission and range from \$25-\$45 for reserved seating.

Tickets can be purchased at the Caine College of the Arts Box Office in room 139-B of the Chase Fine Arts Center, online at [arts.usu.edu](http://arts.usu.edu) or over the phone at 435-797-8022, at the Logan Community Recreation Center, 195 South 100 West in Logan.

**THIS IS SURE TO BE A GRAND EVENT SO MARK YOUR CALENDARS!**

## SNACK STAND IS NOW OPEN!

Come to the Ballpark, watch a great game and eat dinner at the Baseball Grill!

Sharle McLarney is cooking up some great food. For those healthy minded, she has some great pasta salads, fruit cups and more. She will, of course, be cooking up the traditional hamburgers and hotdogs too! Help make this a success for her by supporting the Snack Stand while you are at the park!

**IF YOU ARE INTERESTED IN A PICNIC DINNER FOR THE CONCERTS IN THE PARK FOR YOUR FAMILY SHE IS WILLING TO DO PRE-ORDERED PICNICS. JUST CALL 435-512-4467 AND LEAVE HER A MESSAGE IF INTERESTED. SHE IS A FABULOUS COOK AND YOU WON'T BE DISAPPOINTED!**

## Message from Animal Control: WHY IS MY DOG DIGGING???

Dogs dig for lots of reasons. Your dog may dig because he was bred to be a digger, like a terrier. He may dig because he is hot and wants to lay down in the cool dirt. And, he may dig because he is so bored that he can't think of anything else to do.

Lots of puppies like to dig. It feels cool and fun on their little feet. It's kind of like kids when they play with finger-paints. What fun! Don't panic if your puppy has dug a few holes in your parent's yard. Explain to them that he might be doing that just because he's a puppy.

The more a dog or puppy is left outside alone, the more he will look for things to do. Your goal is to give your dog lots of exercise, lots of company, and lots of interesting things to do.

For dogs who are digging just to keep cool on a hot day, the remedy is easy. Provide lots of cold water and a lot of shade. The more comfortable your dog is, the more relaxed he'll be. And instead of digging, he may just lay down and take a nap.

### REMEMBER, the steps to stop digging are:

Give your dog lots and lots of exercise. Tire him out! ~ Bring your dog in the house more ~ Spend lots and lots of time with your dog ~ Make sure your dog has toys that he plays with ~ Give your dog a cool, comfortable place to spend his time ~ If he still digs, try making him a special digging place!
