Message from the Mayor

I hope you all have had a Merry Christmas and a Happy New Year's holiday. We at the city would like to remind you to not park on the streets from 11:00 pm to 6:00 am as we are still on winter parking rules, I believe that we have all the bugs worked out so we will be able to start the round a-bout at the intersection of 100 north and Gateway Drive as soon as the snow is gone,. We would like to get some road projects completed this year and these are a few we are looking at:

1. 100 East from 100 North to Center Street.
2. 100 East from 400 South to Canyon road.
3. 300 South from 200 West to hwy 165.
4. 200 West from 500 North to 100 north.

(If we have our wish book we would like to get all of the above projects completed this year; but this is just for your information to let you know what our plans are).

We are excited that the Old Rock Church has been Purchased by Mr. Ralph Call; and the changes he will be adding will bring a lot of excitement to our down town city center.

We at the city are excited about the up coming year and are always looking for volunteers to help us with all of the activities we will have through out the year. If you have any questions please call our staff at 435-752-9441.

Sincerely

Mayor Liechty.

It's Time to Renew

Business licenses are due. Please renew now to avoid late fees.

Dog licenses are also due. Prior to renewing, please make sure your dog's rabies vaccination is current. The City cannot issue a new license if the rabies vaccination has expired.

Message from Public Works

The Public Works Department would like to wish you all a safe and enjoyable 2013. With the snow season upon us, we have a few reminders for you.

Please drive with caution when in the vicinity of a snowplow and remain at least 150 feet behind them. After your garbage and recycling cans have been emptied, please remove them as soon as possible to limit possible obstructions for the plows.

In an effort to keep our streets as safe as possible during the winter months, please remember that it is a violation of City Code to removed snow from your private property and place it in the street. This can create a hazard for you as citizens along with City employees as they are working in the plows to keep the streets clear of snow.

To prevent outside taps from freezing, you may need to leave a small amount of water running.

Winter parking hours are in effect.

If you have any questions, please feel free to contact the Public Works Office at 753-0313.

Message from the Justice Court.

The Providence City Justice Court would like to remind you to comply with Utah Code 41-6a-1635 Obstructed Windshield. If your windshield is not clear you may receive a \$50 fine.
