By signing this document, you agree that Providence City will bill you for any and all professional firm fees as they arise throughout the approval process. This is in addition to application fees. All subdivisions require engineering review throughout the approval process, such as but not limited to reviews of development agreements, construction drawings, preliminary and final plats, and inspections. These services are billed by our city engineer at an hourly rate. Some subdivision applications may also require legal review. Other applications, such as but not limited to conditional uses, may also require engineering and/or legal review at the City's discretion. You agree to reimburse the City for all such costs, whether or not you were forewarned about such costs, and that the City cannot predict all situations in which professional services may be required in order to process your application.
