63 **Comments:**

- 64 • S Bankhead read from Dallas Nichols' letter dated in January 2020 discussing the Gio tech report  
65 that was done.  
66 • S Bankhead brought up the temporary road north of lots 61 and 62. Her concern is if the location  
67 of the road changes, it cannot be placed to make these into corner lots.  
68 • M Pierce clarified that it couldn't become permanent because they don't have the proper  
69 setbacks for that.

72 **based on the Findings of Fact, Conclusions of Law, and Conditions with the note that Lot 61 and Lot 62, the**  
73 **homes have been designed with the North side being the interior side and so future development will have to**  
74 **take that into consideration so that they will continue to meet the proper setbacks:** — M. Pierce, second —
