www.providencacity.com

We are coming into June with a lot of interesting events beginning. We have come to an arrangement with the help of Rocky Mountain Power to start replacing the dying and unhealthy looking trees under the power lines. We will start by replacing the trees from 100 North to Center Street on the west side of the road. We will also have the stumps ground out and new trees placed in the park strip. These trees we are assured by Rocky Mountain Power will not grow tall enough to get into the way of the power lines. We would like to ask the help of the citizens who lie between 100 North and Center Street on the west side of the road to please assist us in keeping these new trees alive by helping with watering of the trees. Thank you so much!

Thanks to the Providence City Staff, Public Works Department, Tree Committee and Rocky Mountain Power for much time spent to come to this resolve. In the fall we hope to do another block of trees and continue this schedule until all dying trees have been replaced.

The CMPO road from First East in Logan City to Providence's 100 North is underway and will be completed in the fall of this year; this will move traffic into Logan City and back to Providence much more efficiently.

We now have just about enough volunteers for the C.E.R.T. training program and hope to get just a few more and we hope to start our training the end of June or first of July. Thanks for those who have signed for their support and please just a few more.

I am so proud to be a citizen of Providence City and the heritage that has grown with our city and community. We have recently received some of the greatest compliments from people looking to move into Cache Valley and finding that one of the first spots they look for homes is here in Providence. Our reputation and the reputation of our ancestors preceded us, and I thank you all for your kindness and friendliness to our new citizens and the visitors looking to move in.

As Mayor, I feel a need to apologize to the citizens that had graffiti written in their driveway and to let you know that we as a city or citizenry do not condone such action.

Have a great June and be sure to join us at the Celebrate Providence events on June 4 and 5. See you all there!

~ Mayor Ronald S. Liechty ~

MESSAGE FROM YOUR CITY COUNCIL:

The following actions were taken by the City Council in meetings for April 27 and May 11. We continue to seek citizen input concerning the decisions that are made on your behalf. We encourage you to attend the Council meetings and let your thoughts and concerns be known so that we as a City Council can better serve you.

April 27, 2010

- The City Council held a joint workshop with the Providence City Planning Commission and Development Review Committee to consider code amendments to Providence City Code Title 10 Zoning Regulations.
- The Council adopted a resolution approving an agreement between Tony's Grove and Providence City for temporary site plan approval, Tony's Grove South.
- The Council continued the consideration for adopting a resolution approving the bid for a splash pad.
- The Council held a discussion on hunting and trapping the Providence City.

May 11, 2010

- The Council adopted a resolution adjusting the 2010 Budget for the following Funds: General, Capital Project, Water, Sewer, and Storm Water.
- The Council continued consideration for adopting a resolution approving an agreement between GBS Compliance Services (GBS) and Providence City for COBRA Services.
- The Council continued consideration for adopting a resolution approving the bid for a splash pad.
- The Council held a discussion about the effects of the Spring Creek Parkway realignment on Property located generally at 220 North Spring Creek Parkway, requested by Stephen and Susan Roberts.
- The Council held a discussion about hunting and trapping in Providence City.
- The Council held a discussion about the proposed tentative budget for 2011 for all funds.

We hope that Spring will finally be here and we can all get our Spring cleanup finished. The City has picked up the trash from the curbs to help the citizens with that effort. The Green Waste bins are fully used at the City sheds and are a great help in keeping our City "Green". These bins are placed in our City as a service. We as a Council encourage the citizens to help keep the area around the bins clean and well managed.

The City Council and City Staff continue to work through the budget process for our next fiscal year. Public hearing will be held to help with this process. Citizens are encouraged to attend these hearings and give comments to help the City prepare a realistic and accurate budget for the coming year.

Hope to see everyone at our City Celebration on June 4 & 5. Lots of fun for all!

Please contact your City Council members if we can help with your ideas or thoughts that will keep Providence the great place it is.

PLEASE ATTEND YOUR COUNCIL AND PLANNING COMMISSION MEETINGS. WE NEED YOUR SUPPORT!

Message from the Census:

Over the past year, we demonstrated our partnership and commitment as most of our residents (73% in the state of Utah) mailed back their 2010 Census form. Today, we thank everyone that participated and encourage ongoing support in the Non-Response Follow-up stage where countless Census Takers visit homes that may not have received the form or simply had not returned it.

In the quest for a complete and accurate count of everyone residing in Utah, a local resident—Census Taker—employed by the Census Bureau may visit your home to follow-up on the survey or gathered data from the neighborhood. Please cooperate with them! Effective June 1, if you still have your form or have yet to have a Census Taker visit, you can call the Ogden Local Census Office at (801) 917-3710 to arrange for a visit from a representative of the US Census Bureau.

Again, Thank you for helping our community with the 2010 Census!

Message from Public Works:

The Public Works Department has completed the spring clean up for the year. If branches and/or leaf bags are currently in front of your home, they were placed there after pick up on your street had been completed. Please remove any branches and/or leaf bags from the public right of way as soon as possible. Green Waste bins are available; they are located at the Public Works Facility at 350 East Center.

Thank you for your help and cooperation with the City's clean up efforts and we hope that you have an enjoyable summer

THANK YOU

for your Sponsorship!

Thank you so much to Zions Bank, Elements and Macey's for their donations to our "Meet with the Mayor" events held in May.

Please support our sponsors!

If your business is interested in sponsoring these events, please contact the City Office at 752-9441. Thank you!

Planning Commission Actions:

- The Planning Commission continued a study item on a request from Amsource for a code amendment for Title 10 Chapter 6 Use Regulations (Amended: Ordinance No. 006-2009 09/22/2009; Ordinance No. 011-2009, 12/08/2009). They did not take action on this at this time.
- The Planning Commission held a discussion on Nondepository Financial Institutions. This discussion has been continued and will come back as an action item at the next meeting.
- The Commission continued a study item on code amendment for Title 10 Chapter 6 Use Regulations, including removing some uses from the Use Chart and adding new uses to the Use Chart which may be permitted, conditional, or incidental. Uses being discussed include but are not limited to nondepository financial institutions, personal services, recreation/entertainment, and theater. These changes may affect all zoning districts within

PROVIDENCE CITY ANNOUNCEMENTS:

- ↳ **YOUTH COUNCIL:** Applications for Youth Council 2010-2011 are now available for Grades 8-12.
- ↳ **CONCERT IN THE PARK:** Concerts in the Park are back for the 2010 Summer! A free concert will be held on the 3rd Monday of each month from May through August. Come join us at 7:00 pm at Zollinger Park (61 North 200 West on June 21 for a relaxing evening with performance by Afton Lovell. Bring a picnic, blanket, chairs and all your friends. You won't want to miss it!
- ↳ **FALL RECREATION REGISTRATION:** We will be holding Kickball & 4 vs. 4 Soccer Registration starting June 29 and it will run through July 22. 4 vs. 4 Soccer, ages 5-11 registration fee \$20 Jersey \$5. Kickball, ages 3-4 registration fee \$25 (includes T-shirt & Hat). Spread the word. You don't have to be a Providence Resident to participate. No Late Registrations will be accepted. Thank you!

Maceys

Here at Providence Macey's we believe in providing wholesome, fun-filled family activities and a shopping experience that can't be beat! To show our dedication to this motto, Macey's invite you and your family to join us for this upcoming event:

- ➔ Macey's Annual Classic Car Show—Saturday, June 5th from 12:00—5:00 pm. The Bear River Health Department will be there checking car seats and making sure your children are riding in your car safe!

You definitely don't want to miss this!

- ➔ Then this same day, be sure to head up the street to the Celebrate Providence Events at Zollinger Park, 61 North 200 West. There you will enjoy many events like Motorcycle Show, Kids inflatables/rides, Carnival Games, Baseball Games, Kids crafts and much more!

SOLICITORS:

With Summer time here, solicitors will be out and about again. If you have a solicitor come to your door you may ask them to show you their Providence City Solicitor badge. This should be worn at all times on their shirt while soliciting. If they don't have one, they are not registered with Providence City and should not be soliciting. You can report this to the City Office or call dispatch at 716-9400.
