Discussion Item(s):

HPC will discuss and may act on the following items:

Item No. 3. Placement of additional historic markers in and around Providence City. [Exhibit](#)

- K Alder suggested she has some funds from [Providence Pioneer Heritage, Inc.] that could be donated for historical markers that could be used in the city.
- A list of places was discussed of options to put the land markers at.
- H Christenson suggested they have plaques that state what the land marks represent. A discussion followed.
- Financing for the signs or plaques was discussed as well and what would be pertinent but informative about the history. In some areas they could put a dual sign.
- The members discussed how many signs they could design with the money they had to work with and the placement of those plaques in specific historical locations.
- P Perry said putting a QR code on the sign so that people interested can look up videos that would give them more information about the historical site would be a wonderful addition.

Motion to approve the design and development of seven plaques for the Historical value of Providence:
