7 **Members in Attendance:** Skarlet Bankhead, Rob Stapley, Max Pierce

8 **Others in Attendance:** Ryan Snow, Tyler Cameron, Diane Campbell, April Fredrickson, Todd Titensor, and Steve

12 **Item No. 1 – Approval of Extension of Condition:** The Providence City Administrative Land Use Authority will
13 consider for approval a request by Titensor Construction for Kurt and Catherine Sorensen to extend the timeframe
14 to complete the condition requiring an easement for sewer service lateral at 445 S. Edgehill Dr., Providence, UT.

15 [EXHIBIT](#)

16
17 **CONCLUSIONS OF LAW:**

- 18 1. Providence City has adopted land use ordinances that include conditional uses and provisions for
19 conditional uses.
20 2. Providence City has the authority to impose reasonable conditions to mitigate the reasonably anticipated
21 detrimental effects of the proposed use.
22

23 **CONDITIONS:**

- 24 1. The applicant will continue to meet all relevant federal, state, county, and Providence City rules, laws,
25 codes, and ordinances.
26 2. The applicant will provide documentation that a sewer easement has been recorded for the lots west of
27 the subject property before Certificate of Occupancy is issued. This is an extension to the previous
28 condition of providing easement documentation before zoning clearance is issued.
29 3. Approval by the City of any submitted application or paperwork does not alleviate the owners and/or
30 their agents from their responsibility to understand and conform to local, state, and federal laws.
31 Providence City's approval is not intended to and cannot be construed to allow any laws to be violated.
32

33 **Comments:**

- 34 • D Campbell read from the staff report.
35 • T Titensor explained why he was wanting to do the extension. It was due to weather and the surveyors
36 being out 3 weeks. The tile company is also out about another 3 to four weeks. This would put him in
37 December where there is frost, etc.
38 • S Bankhead said on the zoning clearance to make sure on the regular decision that it goes along with the
39 zoning clearance and that it is on hold so that he? can contact us. They check with Rob on the public
40 infrastructure, but they might forget about the easement. Get it going and don't wait.
41

42 **Motion to grant the request by Todd Titensor, Titensor Construction, for Kurt and Catherine Sorensen to extend**
43 **the time frame to complete the condition requiring an easement for the sewer service lateral at 445 South**

97
98 **Comments:**

- 99 • D Campbell read from the staff report.
- 100 • S Bankhead asked if enough information was gathered to make the request adequate and S Coppieters
101 said yes and that it had been added to the site plan. He said there is no more than four feet exposed
102 foundation allowed on the downhill side within the ten-foot sideline.

- 103 • S Bankhead said looking back on the conditions that Adam Paul was supposed to have his two parcels
- 104 combined and that that still needs to happen.
- 105 • T Titensor said that Adam Paul was acquiring more land from Rob Campbell and they were wanting to
- 106 combine all of the land onto one parcel.
- 107 • S Bankhead said if they did that then they would need to have an amended final plat.
- 108 • S Coppieters said they hadn't started on building the house because they needed to build the retention
- 109 wall and move the retention pond. He said that is where the retaining wall came in was to give a more
- 110 stable yard and a more stable building site.
- 111 • S Coppieters said that they should have the wall poured and finished within 21 days and so S Bankhead
- 112 said then they should have three weeks to combine the parcels.

113
 114 **Motion to approve the retaining wall as shown on the site plan but in addition to that, they can start**
 115 **construction on their retaining wall. But before construction starts on the home, the two lots have to be**
 116 **combined and hopefully by the end of November:** — R. Stapley, second — M. Pierce

 125 these types of Conditional uses very often in the future. The Code has changed.
