

PROVIDENCE CITY NEWSLETTER

June 2022

Seeking Youth Council Members & Advisors

The Youth Council Mission is “To provide opportunities for youth to develop mature citizenship, leadership, a sense of personal achievement, community service and understanding of government.”

If this interests you, applications are being accepting online from those entering grades 8-12, now until August 31st.

This is a great way to build your resume and get involved. Generally, the council meets once per month for activities, including helping with city events and celebrations, a city-wide youth dance, parades, and conferences. Learn more and apply at: <https://forms.gle/f5MhrZpiR3oa3woF6> or scan/click the QR.

Advisors are also needed! If you enjoy working with youth and serving the community contact Council Member Carrie Kirk at (435) 757-1444 or email her at: ckirk@providence.utah.gov

Tip from the Mayor

Your tomato paste will slide right out of the can if you remove both ends.

Sauerkraut Days Aug. 15th - 20th

Main events are on Friday & Saturday

Vendor and Parade Applications now available on the city’s website: <https://providencecity.com/sauerkraut-days-providence/>

Mark your calendars, you will not want to miss this!

Business Highlight

Burruss Automotive, located at 5 North Main and currently managed by Payson Coombs, is a small auto repair shop in the heart of Providence. They work hard every day to finish each project as fast as possible while keeping the quality high. No job is too big or too small for them to handle. They can do anything from a simple oil change to a complicated engine swap. They welcome everyone to come check them out and take advantage of their competitive pricing. Give them a call at: (435) 755-6085.

5 Steps to Safer Digging

We often receive phone calls about the paint and/or flags seen throughout the City. As per Utah State Law, Providence City is a member of Blue Stakes of Utah 811, which is the communication link between excavators, homeowners and utility companies. Prior to ANY form of digging, we submit a Locate Request ticket, and follow the 5 Steps to Safer Digging protocol. Step 3 is where the underground utilities are marked; each color of paint/flag corresponds with a specific utility.

Whether it's a shovel or a backhoe, DIY or professional, it is the law to have these lines located and marked PRIOR to digging. Many lines are at very shallow depths and knowing before digging helps prevent injuries and damages. Anytime you plan to dig within your property, make sure you call 811 or visit <https://www.bluestakes.org/> and start the 5 Steps to Safer Digging.

Have a great summer and as always, please be cautious if you are in the area of a work zone for your safety and ours.

Watering Guidelines

As drought continues to impact our state, Providence City is asking residents to follow the Weekly Lawn Water Guide (aka: the Drought Watering Guide) provided by the Utah

Division of Natural Resources. They also have useful information on how to perform a Water Check to determine how long to water your stations. Scan/Click the QR or visit them at: <https://qrco.de/bd3pm6>

WATER GUIDE

Additionally, Utah Water Savers is offering cash rebates and programs to start saving water on your landscape and in your home. Use the QR or visit: <https://utahwatersavers.com/> to check them out!

Recreation & Compliance

June 21st is the first day of summer! The Community Development Department welcomes you to the first month of Summer 2022 and invites you to enjoy the outdoors in Providence and the surrounding area.

We have some great activities coming up and hope you play, travel, and build with fun and safety in mind.

RECREATION

To learn more about our registrations and suggestions for summer activities scan/click the Recreation QR.

To check out our code compliance tips for intersection safety, storm water, decks and retaining walls scan/click the Compliance QR.

COMPLIANCE

Affecting the Quality of Drinking Water

SCAN or CLICK

Did you know, you can affect the quality of the water you drink? Scan/Click the QR code or visit: <https://qrco.de/bd3rZt> to learn the dangers associated with cross-connections and backflow.

Reminder: Backflow devices need to be inspected annually. As always, please feel free to contact our office at (435) 753-0313 with any questions or for a list of certified backflow testers.

Monday, June 20th @ 7PM
Von Bear Park, 350 E. Center Street

Come relax and enjoy the Bleached Blondes as band members and Providence residents, Karen & Wayne Campbell, Kathi Bischoff, and Robin Cooper perform.
